To advertise on JobDreamz you can either pay for each advert as you publish it, or you can purchase credits in advance and benefit from our bulk buy savings. Credits can then be used to publish future adverts quickly and efficiently.

1 Credit = 1 Advert published for 28 days

In addition to our competitive regular prices and bulk buy savings, we are currently offering an incredible...

50% Discount until 2009

Also don't forget that at JobDreamz, you don't pay extra for features like branded, full colour adverts with logos, your own company profile page, your own company jobs page and your own company RSS feed. All these features are included for free when you register your Advertiser account.
